About Us

Established in the year 2024 at Gujarat, India, we "Amrutflow Polyplast" are a Partnership-based firm engaged as a leading manufacturer of high-quality plumbing and piping components. Our product range includes **PVC Pipe Tee**, **UPVC Reducer**, **PVC End Cap**, and other durable fittings. We prioritize quality, innovation, and reliability to meet the varied needs of the construction and infrastructure sectors. With modern manufacturing facilities and a skilled team, we ensure consistent product performance. Our mission is to provide efficient, leak-proof, and long-lasting piping solutions across India.
